The USA economy is the strongest economy in the world, but the State and thus its citizens are by far the most indebted in the world. How is that possible? See https://mile7bar.substack.com/p/the-usa-economy-is-the-strongest

The debt was created by the Federal Reserve, a bankrupt private bank. It is their debt, not we the peoples. It is ink on paper anyway so there is no real money anyway.

Mikey, I've listened to you for years. My take is that you bloviate out your ass and don't do anything to make the world a better place. You can knock whomever you want and claim that they are against the country, but at least they are trying to help the country. All you do is criticize the leadership and sit back from your safe little perch and throw stones. If

Nationalize the Zionist FED; arrest the bankers, seize all their assets. Charge them all with racketeering, corruption and mass genocide and give them a military trial, then march them into a court yard, to stand them up against a wall... Bang, Bang !! Problem solved... No more US debt.
